Discover these important symbols during your journey:

- Water Story** indicates where crucial information can be found about water, our most precious resource.
- Species Survival Plan** indicates that an animal is part of the Association of Zoos and Aquariums' Species Survival Plan program (SSP) and is being managed within multiple zoos and aquariums so that it doesn't become extinct.

Vanishing Animal means that the species is either threatened or endangered and in need of our help or attention.

Supporting Conservation showcases a conservation message or a conservation project supported by our WAVE Foundation's Aquatic Conservation Fund.

Explore these amazing exhibits and more

Shore Gallery – Stop by the touch-pool filled with sea stars, anemones and urchins for a fun, hands-on learning experience.

Shark Ray Bay Theater – Interact with divers during our shows, learn about our Shark Rays and see one of the largest acrylic windows in the Aquarium for an awe-inspiring view of the giant shark tank.

Gator Alley – Meet Mighty Mike, the biggest, baddest gator in the country outside of Florida and two of the rarest white alligators in the world.

Frog Bog – Have fun with frogs and play in a giant frog-themed jungle gym in the Frog Bog.

NEW Canyon Falls – Meet our new playful Asian otters and visit turtles you can touch along with two new species of lizards.

Surrounded By Sharks – Be surrounded by sharks including new, rare scalloped hammerheads as you walk through a 385,000 gallon shark tank.

Shark Central – Home to dozens of sharks you can touch for a thrill you and your kids will never forget. Some of them are over five feet long.

Kroger Penguin Palooza – Watch five species of playful penguins at one of the largest cold weather penguin exhibits in the country. Catch our animated show to learn fun facts and cool penguin stories.

NEW Shark Bridge – The only suspension bridge in the world that lets you walk inches above nearly two dozen sharks. It stretches 75 feet across the open water of our 385,000 gallon shark tank. It's a thrilling experience you and your kids will never forget.

Please follow safety signage and rules throughout your visit. Due to the nature of caring for wild animals, Newport Aquarium cannot guarantee that all animals will be on display or exhibits will be open at all times
